Dear Certificate Holder,

Congratulations on the successful completion of your quality system evaluation. Enclosed please find your Certificate(s).

If applicable, a Certification Mark is also enclosed. The purpose of the Certification Mark is solely for applying to items that have been built in accordance with the ASME Code/Standard. If you make reference to the ASME Certification Mark in your advertising, it is required that you follow the "STATEMENT OF POLICY ON THE USE OF THE CERTIFICATION MARK AND CODE AUTHORIZATION IN ADVERTISING" which appears in the preliminary material in each ASME Code/Standard.

Prior to the expiration date listed on the enclosed Certificate(s), a renewal notice will be emailed to the primary contact that ASME has on account. It is important that ASME be informed of any changes made to the contact information on account. Please note that prior to the expiration date of the enclosed certificate(s) it is the certificate holder's responsibility to submit a renewal application, any applicable paperwork and any pertinent fees to ASME six months [four months for H (Cast Iron) and UM Certificates].

If you have any questions please email us at [ca@asme.org](mailto:ca@asme.org).

Sincerely,

ASME Conformity Assessment Department
